Hi Catherine:

I have confirmed Rangers will be on site December 26 through January 3.

However, I have asked Park Rangers to add December 24 and 25...I will let you know when these two dates are confirmed.

Thanks,
Joe

I remain the best contact
Last year there was minimal
crowds, and the extent of
LAFD involvement as Battalion
5 driving up there once and
reporting no traffic

Is there an internal contact person for us - if we get calls/emails over the holidays?

You can tell Tony that the Los Angeles fire Department will deploy the same amount of resources near the Hollywood sign that we did last year you can also tell him that the burning index for Thursday and Friday is very low with virtually no chance of a significant fire

Catherine,
We will ensure that the basic car for the area, 6A15, spends significant time up there enforcing smoking and traffic violations due to increased tourism to the Hollywood sign over the holiday period. Tracie Fields is the point of contact for Mr Fisch, but the Watch Commander will ensure this happens. Thank You and Happy Holidays!

Pete

Our duty captain will be monitoring but that person rotates so there is not a designated number. Remind folks that the call center and PD are 24 hour services.
